

ORDINANCE #4.

AN ORDINANCE PROVIDING RULES AND REGULATIONS FOR THE ADOPTION OF PLANS AND SPECIFICATIONS FOR THE CONSTRUCTING, OPENING AND DEDICATING OF ROADS, STREETS AND DRAINAGE FACILITIES IN CONNECTION THEREWITH FOR PUBLIC USE OR TRAVEL IN THE TOWNSHIP OF SOUTH HUNTINGDON, AND PRESCRIBING PENALTIES FOR THE VIOLATION THEREOF.

WHEREAS, under the Act of July 10, 1947 P.L. 1481 Section 17, it is provided that no person, partnership, association or corporation shall construct, open or dedicate any road, street or any drainage facilities in connection therewith for public use and travel in any Township without first submitting plans thereof to the Township Supervisors for their approval,

AND WHEREAS, the said Act vests in the Supervisors the power to adopt such rules and regulations in connection therewith as in their discretion may seem proper;

NOW, THEREFORE, BE IT ORDAINED, that the following basic rules and regulations for the adoption of plans and specifications for the constructing, opening and dedicating of roads, streets and drainage facilities in connection therewith for public use or travel in the Township of South Huntingdon be enacted:

SECTION 1. No street or road shall be less than 40 feet in width.

SECTION 2. The grade of any such street or road shall be established and detailed plans thereof submitted to the Supervisors.

SECTION 3. Detailed plans of the drainage for said street or road and contiguous territory shall be submitted to the Supervisors.

SECTION 4. The minimum requirements for any road to be constructed in the Township are as follows:

- ✓(a). The road or street must be graded out to the full width of right-of-way.
- ✓(b). The paving shall be at least eighteen (18) feet in width.
- ✓(c). The base shall be of No. 4 stone or slag rolled to a thickness of not less than 8" with at least a ten ton 3-wheel roller and choked with screenings or dust of same material as base or with fly ash.
- ✓(d). A surface coat of chips and bituminous material of not less than AT-1 quality, as per Highway Department specifications.

SECTION 5. The Supervisors must be notified with any construction of street or roadway is commenced, and suitable arrangements made for periodic inspections during the course of construction.

SECTION 6. Upon completion of a street or road in said Township, a suitable maintenance bond must be furnished the Township providing for the maintenance of said street or road for a period of two (2) years from the date of completion.

SECTION 7. Any plans and specifications as herein provided must be sub-

mitted to the Supervisors in duplicate, and the same shall be subject to such modifications, changes and revisions as in the opinion of the Supervisors may be necessary from time to time.

SECTION 8. Any failure of any person, partnership, association or corporation to comply with the terms of the above stated Act of Assembly and the provisions of this ORDINANCE shall be of sufficient cause for the Supervisors to oppose any attempt to have any such street or road made a public street or road, or to invoke such penalties as are provided by the Second Class Township Code.

SECTION 9. All Ordinances or parts of Ordinances conflicting with the provisions of this Ordinance are hereby repealed to the extent of such conflicting provisions.

ORDAINED AND ENACTED this 4th day of March, A.D. 1959.

TOWNSHIP OF SOUTH HUNTINGDON
